ICS4ICS Work Force Development Tools and Resources

WFD webinar video and WFD self-assessment tools: <https://www.ics4ics.org/work-force-development>

Join some of the teams that are developing industry sector specific exercises:

Electrical teams will select specific electrical sub-sectors for multiple exercises
Defense teams will select specific sub-sectors and military installations for exercises
Aviation team will develop a scenario for an exercise that impacts aviation operations
Space team will develop a scenario for a space exercise
Higher Education team will develop a scenario for an educational institute exercise

Obtain your ICS4ICS Type 4 Credentials with 15-hours of FEMA training

- No application is required for Type 4 credentials

If you have any questions or suggestions about the ICS4ICS website, please let me know. Brian Peterson
